

Point of Ayr Terminal

COMMUNITY NOTICE

Temporary Closure of Public Right of Way

The public footpath (highlighted in yellow on the map) is temporarily closed, following approval from Flintshire County Council. The route, which runs between the Point of Ayr Terminal and the Colliery, has been fenced off to allow works to take place safely and securely.

While the path is closed, an alternative route (shown in green on the map) is available along the railway line, reconnecting with the Wales Coastal Path. Clear signage has been installed to guide walkers to the alternative route.

PoA Terminal Decommissioning and Construction Activity

Decommissioning and construction activities are underway at the Point of Ayr Terminal and surrounding Colliery area. You may notice increased site activity, including noise, vehicle movements and lighting. Works are taking place Monday to Friday from 08:00 to 18:00, and on Saturdays from 08:00 to 13:00, with an additional hour either side of these times for site preparation and close-down. You may also see unmanned aerial vehicles ('drones') operating within the Terminal boundary but no noise is associated with them.

Warren Farm and Talacre Beach Activity

Please be advised that there is an increase in construction activity at Warren Farm and Talacre Beach.

During this time, you may notice increased vehicle movements in and out of the area, with associated construction noise and equipment. From **Wednesday 25th February** construction work will require **12-hour days**, while other activities will commence over **24-hours** to ensure the project is completed safely and as quickly as possible. The **24-hour** working period is expected to last for **approximately four weeks**, subject to project progress.
